

INQUIRY INTO PRIVATISATION OF BUS SERVICES

Name: Name suppressed
Date Received: 31 March 2022

Partially
Confidential

The privatisation of buses has removed the ready access to frequent buses. I am now required to travel by the tram. The additional distance to walk is past 2 current bus stops. In addition when returning from the city I either have to choose to walk up a steep hill or stay additional stops on the tram, adding both extra time and distance to my journey. This results in more car usage.
