The changes to the bus services in the Eastern Suburbs are a spectacular disgrace. The changes do not make the buses more convenient or reliable. The spin selling these changes was comical. It took me an hour to travel from Bondi Junction Bus terminal on the 356 the other day. The bus was terribly late and by the time it turned up and arrived at its destination - total time 1hour. A 2.6 Km trip. Then of course a second 356 overtakes us. Catching the bus from the terminal at Bondi Junction is just so inconvenient. The Light Rail is as bad - due to technical difficulties - 1 hour and 20 mins to get me from Randwick to the city on Tuesday this week. Great Service!!!! The Bus services have been ruined. I cannot see that any of these submissions will change what has been done - a further waste of my time.
