Hello, the new bus timetable is very frustrating. As a working mother it's impressively to rely on due to the infrequency times and the lack of bus stops in the city. My husband and I use to catch the bus everyday, to work and home. With the new times, we drive to the office and one will taxi home as otherwise we lose too much time which either impacts our work time or time with our daughter. We're very disappointed. Randwick's connection to the city was a driver for us to purchase our house. Please add more buses and reinstate the bus stops near circular quay. Thanks
