INQUIRY INTO PRIVATISATION OF BUS SERVICES

Name: Name suppressed
Date Received: 28 March 2022

Partially
Confidential

No bus services to Circular Quay and Central from Oberon street coogee. Previous services 377 to CQ and 376 to central. Now takes FOUR transfers of buses and additional 40 minutes. Light rail NOT AN OPTION. Previous services ONE bus to either central or circular quay. NO service after 10 am weekdays and NO services on weekend. A disgraceful and disgusting and appalling situation. Some residents are now unable to enjoy outings. Unreliable existing services. Dangerous to wait for light rail at Anzac parade to Randwick at night. Very isolated. Dangerous waiting for 373 service at Oxford and Wentworth Avenue - first bus stop this service can be caught. Then have to change at Belmore road Randwick for a 375 service. Previous bus services were fine and do not see why buses were removed when working well. Only reason being that government made mistakes and spent untold taxpayers money for a non functioning light rail and want to make commuters suffer for their stupidity Put back the bus services you took away from us Why don't you politicians who claim to know everything and to have brains try out what us commuters have to go through to travel on your so called improvement bus services YOU ARE A DISGRACE.
