

INQUIRY INTO PRIVATISATION OF BUS SERVICES

Name: Name suppressed
Date Received: 28 March 2022

Partially
Confidential

As a social worker supporting clients living in public housing in the Eastern Suburbs, the change in bus routes has distressed my clients. People who cannot afford a car depend on these buses to get around and they have struggled to travel around the Eastern Suburbs using the new bus routes as they are infrequent and unreliable. I would like the cancelled bus routes to be reinstated to assist those who need them most.
