I live in Randwick & one of the biggest positive of this for myself & many many other residents was..I prided the area for this

The most amazing convenient bus service taking us anywhere

Now it's an absolute disgrace yes publish with pleasure a disgrace

We lost 5or 6 bus routes to be give one

That not only Dose not service the area as required but leaves us all

Especially the elderly to walk long distances as we have been give an express bus

It takes the place of about 6 busses in my area & stops at random stops

Rain heavy bags elderly children it's ok just walk an extr mile home we have made almost every bus stop unavailable...

All absolutely unforgivably inconsiderate inconvenience

Elderly people have to walk long distances to get home from a bus stop

Please at least make the 390x stop at every stop?.who on earth would do this

For crying out loud it doesn't even stop outside the shopping centre at Randwick

It's a disgrace

Shame on u all

Put our busses back

And stop at every stop if you don't

It's a disgrace
