INQUIRY INTO PRIVATISATION OF BUS SERVICES

Name: Name suppressed

Date Received: 27 March 2022

Confidential

To whom it may concern,

I call on the NSW State Government to retain public ownership and re-instate all modified and cancelled bus routes in region 9;

The reduction of services has severely impacted residents with mobility issues who no longer have direct services into the city as well as school children and elderly people who now no longer leave their house as it is too hard and complicated, impacting their mental health.
