INQUIRY INTO PRIVATISATION OF BUS SERVICES

Name: Name suppressed

Date Received: 27 March 2022

The buses in my area have been drastically reduced. On the weekends I am forced to change from the bus to a tram which is difficult with my two children, especially when it is raining. My husband is in a wheelchair and needs to take the bus to the hospital and now he needs to change bus as there is no direct route to Randwick hospital anymore. This is also very difficult for him. He cannot get his power wheelchair wet, which has made it even more difficult for him.
