INQUIRY INTO PRIVATISATION OF BUS SERVICES

Name: Name suppressed

Date Received: 24 March 2022

Partially
Confidential

My wife and I are both in our 70's and we found catching the 339 Route bus through to the centre of the CBD was most convenient. We now have to use the 338 and transfer to the light rail at Central to reach our destination. We could use the light rail directly from Randwick however there is little or no parking after the peak hour rush. Further, selling the 'Buses' to a private operator will only see reduced services. It is meant to be a SERVICE not a money-making venture. It is what Governments used to do.
