INQUIRY INTO PRIVATISATION OF BUS SERVICES

Name: Name suppressed
Date Received: 24 March 2022

Partially
Confidential

I live south of Belmore Road, Randwick and previously could catch a bus which took me straight to Circular Quay via Taylors Square. This gave me the opportunity of getting off to go to St Vincents Hospital either for medical procedures or to visit friends in hospital or continuing to Circular Quay. The other bus that I caught took me straight to Central Station. Now I don't have those opportunities other than to get a bus to Belmore Road, Randwick and change to either a different bus or the tram whichever suits the trip that I need. As a senior I find that this is difficult getting in and out of multiple buses which would be even more difficult for those with walking aids and mums and dads with children in prams etc. Therefore I believe that the transport that was available previously suited our needs and would be delighted if the above could be taken into account and those buses brought back into operation.
