I am totally disgusted and disappointed at the bus privatisation and changes of bus routes in the southeastern areas .no consideration for the infirm the disabled the school children the elderly who still working the everyday employee - all just trying to get to work . Everyday I am late for work . Buses don't turn up, cancelled last moment, dirty buses, VERY overcrowded. It's just abysmal state of affairs for us all. Takes me 1h 25m to get to work 4K away. Yes I could walk but it's not feasible for personal reasons.
