INQUIRY INTO PRIVATISATION OF BUS SERVICES

Name: Name suppressed

Date Received: 20 March 2022

Partially
Confidential

I live in Little Bay - 2036. Recently bus services to the city were cut. meaning no direct bus to the city (central station) any more. I can no longer get to work, other than a longer route via the slow tram. I am appalled. this has now meant I have to drive in to work instead. Bus stops are now not serviced. I landed at one accidentally the other day trying to get into work, and it was 15 minutes walk from the closest one- had a tiny sign on it saying it was no longer serviced. With ever increasing population density, services should be increased not decreased!!!!
