To Whom It May Concern

I would like to bring to your attention my deep concern re the cut of the buses in the Eastern Suburbs. My family has directly affected by this cut.

We have 2 less routes to go to CBD and Central. This means we have to catch a bus and the light rail, or 2 buses or 3 buses depending on the destination which in turn causes longer commuting, more money and extra walk.

Elderly, children, disable & sick people are hugely affected.

I urge you to reconsider this decision and return the services cut.

Regards,
