INQUIRY INTO PRIVATISATION OF BUS SERVICES

Very dissatisfied and extremely frustrated with the change in bus services. For the last 22 years while I have lived at my current address I have been able to take the 339 from near my home directly into the city in about 30 minutes. Now it takes me an hour or more and I have to catch the 339 to Central and then wait for another bus - for around 10-15 minutes to get into the city. Why is this considered to be an improvement in the bus system/public transport ??? This would be an issue for all living in Clovelly and who would normally have taken a single bus into the city. PLEASE IMPROVE THE PUBLIC TRANSPORT SYSTEM BY GIVING My AREA A DIRECT SINGLE BUS INTO THE CITY !!!!!
