**INQUIRY INTO ROAD TRANSPORT AMENDMENT
(MEDICINAL CANNABIS-EXEMPTIONS FROM
OFFENCES) BILL 2021**

Name: Mr Justin Ruse

Date Received: 21 April 2022

I suffer from borderline personality disorder which is described as being the worst mental health illness to suffer from. Everyday is a struggle to survive this illness, I've suffered from this ever since I was a child and I've been suicidal ever since I was a child aswell. Cannabis helps more then any prescription but I'm afraid I'll lose my license if I rely on it to much because without my license I would spiral out of control without being able to get to my disability job provider appointments and any other appointments I need to get to like my doctors appointments and so on.
