

**INQUIRY INTO 2022 REVIEW OF THE WORKERS
COMPENSATION SCHEME**

Name: Name suppressed

Date Received: 23 June 2022

Partially
Confidential

Having worked in corrections for 24 years having delt with the things I have and been told go home have a beer and forget about it I eventually fell apart from the stress and anxiety asked for help and it fell on deaf ears till I fell to pieces. Then all that was coming was punishment not help to the point I resigned after 24 years service with nothing but a bye and hope you get better.
