Partially  
Confidential

Good Morning,

I am making a submission to protect the Native Bushland at the Kariong Sacred Lands(Central Coast )& its precincts, from development as it will have a detrimental effect upon the endangered Flora & Fauna of the area and destroy many Aboriginal Sacred sites found within the area. It is well-known to contain

one of the largest number of Indigenous Petroglyphs in the world & they must be honoured & saved from ruin by urban development !!

Thankyou
