

INQUIRY INTO POUNDS IN NEW SOUTH WALES

The state of NSW rural pounds is appalling. Dogs are being killed on a daily basis

The worst pound of which I am aware is Coonamble. No one there seems to care. Dogs die of neglect. Tiny newborn puppies died because they were sleeping in dirt without bedding. The staff put small dogs in with big dogs and you can guess what happens. The actual building is a run down disgrace.

Narromine Pound needs to be looked at.

Tumut kills dogs without a thought.

Dubbo is overrun

West Wyalong has too many dogs.

There needs to be strict regulations for these pounds. So many of them operate without any regulatory body being in charge.

Please also contact _____ who coordinates the rescues who save dogs from these pounds. There is a Facebook group run by volunteers who saves these dogs.
