INQUIRY INTO POUNDS IN NEW SOUTH WALES

Name: Mr Khy Gardiner Sargent

Date Received: 17 August 2023

In Bathurst, we made it into the newspaper actually with our fight against our local impounding facility after an incident that put an elderly dog and a kitten in danger, they would not have survived and the government's workers (rangers) did not show any care to the situation, a member of the ALP and a rescue friend helped me in this battle. Eventually, it was resolved and raised alot of eyebrows in our Hometown.
