**INQUIRY INTO CURRENT AND FUTURE PUBLIC  
TRANSPORT NEEDS IN WESTERN SYDNEY**

**Name:** Pimbenya Ponchiengdee

**Date Received:** 22 August 2023

---

We would like the inner west line restored and/or focus on saving the T3 line as it enables us to get to work! We need more frequent trains that run pass Villawood and Carramar to go to the city. Trains always get cancelled in Bankstown line which leaves us waiting for another train for longer than 30 mins. It is very frustrating.
