**INQUIRY INTO CURRENT AND FUTURE PUBLIC
TRANSPORT NEEDS IN WESTERN SYDNEY**

Name: Name suppressed

Date Received: 8 August 2023

Partially
Confidential

Hi, as an Urban Planner myself I can't help but feel that any inquiry into public transport will be redundant unless it also looks at the broader issues of the sprawl of Western Sydney. Sydney unlike comparable cities such as London will not be connected for decades due to the excessive sprawl and therefore sprawl must be first addressed or at least planned for in order to plan for better transport connections.
