**INQUIRY INTO CURRENT AND POTENTIAL IMPACTS OF
GOLD, SILVER, LEAD AND ZINC MINING ON HUMAN
HEALTH, LAND, AIR AND WATER QUALITY IN NEW
SOUTH WALES**

Organisation: Watershed Landcare

Date Received: 29 August 2023

Watershed Landcare is a community organisation whose vision statement is 'Healthy Landscapes, Healthy Communities.'

The proposed Bowden's Mine does not align with this vision statement as water quality, threatened ecosystems, soil health, biodiversity, human health and agriculture would all be at risk of being adversely effected.
