**INQUIRY INTO CURRENT AND POTENTIAL IMPACTS OF
GOLD, SILVER, LEAD AND ZINC MINING ON HUMAN
HEALTH, LAND, AIR AND WATER QUALITY IN NEW
SOUTH WALES**

Name: Mr Norbert Mjadwesch

Date Received: 30 August 2023

As a concerned citizen of the Mudgee region I am appalled at the lack of concern by our governments for the welfare of their citizens in allowing a mine to be established that will have detrimental effects to their health both short term and long term. I am against the opening of this mine - not in my backyard!
