**INQUIRY INTO CURRENT AND POTENTIAL IMPACTS OF
GOLD, SILVER, LEAD AND ZINC MINING ON HUMAN
HEALTH, LAND, AIR AND WATER QUALITY IN NEW
SOUTH WALES**

Name: Mrs Anita Hood
Date Received: 4 September 2023

Being within a 5km radius of this mine, my family and I were never once given proper or adequate consultation regarding this mine - until suddenly we needed to lodge a submission last year. Sick and tired of the issues being ignored, we feel ignored as a community & fear greatly for the health and well-being of our young family. Running a successful agri-tourism business has also been completely dismissed by Bowden's and IPC.
