**INQUIRY INTO CHILDREN AND YOUNG PEOPLE WITH
DISABILITY IN NEW SOUTH WALES EDUCATIONAL
SETTINGS**

Dear Esteemed Committee, The NSW Government should not accept the Disability Royal Commission recommendation to phase out and end special education schools. As a parent wife a child with disabilities, we should have the choice and control to decide where our child is schooled. These special education centres are a God send and cannot be replaced. Our child thrives in this environment and I cannot see it happening in whatever the Commission believes would replace special education schools. Respectfully submitted,
