

**INQUIRY INTO IMPACT OF THE ROZELLE
INTERCHANGE**

Name: Name suppressed

Date Received: 24 February 2024

Partially
Confidential

As a resident of the Balmain peninsula, I have noted a marked degradation in travel times from Balmain to the city since the opening of the Rozelle Interchange.

Could I please ask the commission to consider the reactivation of the ferry services to Balmain West as a way of ameliorating this significant decline in utility to residents in Balmain and Rozelle

Yours Sincerely
