INTERCHANGE**

I have lived in Gladesville off Victoria Road for 15 years and often use Victoria road to get to work or the city, I can no longer use Victoria road to head towards the Rozelle interchange as the time it takes to get from Gladesville to Rozelle is in excess of 30 minutes. I need to travel less than 5km to get to this areas and it takes in excess of 20 minutes. The local streets of hunters hill and gladesville are being impacted with an increase of drivers in the backstreets. We need better solutions so Gladesville isn't impacted by the tunnel and bottleneck.
