INQUIRY INTO IMPACT OF THE ROZELLE INTERCHANGE

Name: Mrs Rebecca Jourdan

Date Received: 14 March 2024

The new Rozelle interchange has resulted in an extra 15-20 mins in my morning commute. At times it has meant an extra 2 hrs! This has had a very big impact on myself and my children. We are constantly rushing to avoid the traffic and every morning is stressful for me and my children. My children have been late for school on multiple occasions as we never know how bad the traffic is going to be until we hit it. Prior to the interchange I could get my kids to school in Glebe in 15 mins.
