I live in Wrights Rd just behind the post office but can't turn right onto Lyons Rd the Left onto Victoria Rd my access to Victoria Rd is via St George's Crescent then up Drummoyne Avenue then left onto Victoria. This causes more traffic to

Local streets. I could take the shorter route but add 30 minutes traveling time go get me to work at Mascot. Then once in the tunnel it's bumper to bumper traffic at 20-40 is never the speed limit of 60 till I get to the -V- to take turn off the the airport. Great run till you hit St Peter's notice on the wall back to 60 all merging 5 lanes into two then back down to snail pace for Gardeners Road excess then for traffic to go via Kent Rd another night mare. Can sit ther for at least 4 changes in lights to get my destination Qantas Coward St car Park and I am paying for this privilege. Joke I have leave earlier too. Not happy Jan but going the bus the Anzac Bridge I have to leave even earlier
