

**INQUIRY INTO IMPACT OF THE ROZELLE  
INTERCHANGE**

**Name:** Name suppressed

**Date Received:** 17 March 2024

Confidential

Since the Rozelle interchange has opened my travel time has increased from 15 min to 45-60 min. The traffic lights In Drummoyne have been changed to limit the traffic reaching the interchange so much that traffic is backed up all the way on top of Gladesville Bridge even at 7am. This was never the case before. This has been compounded by the multiple bus lanes limiting the traffic that needs to go to Balmain and Rozelle.
