INTERCHANGE**

To Whom it May Concern,

I am writing to express my disappointment & dismay that the Rozelle Interchange has:

- prioritised roads & car traffic the result a laned freeway divide between Annandale, Lilyfield and Balmain. This freeway divide is an eyesore.
- wildlife corridors have not been considered. are there any?
- has increased car congestion and time spent in traffic getting from Annandale onto the Anza Bridge
- in order to avoid expensive tolls traffic on Parramatta road has increased.

PUBLIC TRANSPORT NOT private car usage should be prioritised.

Yours sincerely,

Annandale resident
