## INQUIRY INTO IMPACT OF THE ROZELLE INTERCHANGE

**Name:** Name suppressed

**Date Received:** 20 March 2024

---

Partially  
Confidential

Hello!

What a mess that has been created our community. Even after all the warning signs which were clearly ignored, then Rozelle Interchange has opened and caused unimaginable chaos. A trip that used to take me under 10 mins now takes me almost an hour. Absurd!

Our community is suffering. Immediate action is needed please.
