**INQUIRY INTO IMPACT OF THE ROZELLE
INTERCHANGE**

Name: Name suppressed

Date Received: 23 March 2024

Partially
Confidential

Dear committee

I live in Annandale and travel to Rozelle every week by bus. The overpass from The Crescent to Victoria Rd is a woeful single lane. To reduce traffic delays, drivers headed towards the city claim the hatched side area as a second lane. How long before this practice leads to an accident? The planning for the interchange was clearly inadequate.

Regards
