

**INQUIRY INTO IMPACT OF THE REGULATORY  
FRAMEWORK FOR CANNABIS IN NEW SOUTH WALES**

**Name:** Name suppressed

**Date Received:** 8 May 2024

---

Partially  
Confidential

I have never used marijuana myself, however I am aware of it's broad therapeutic benefits and use in a variety of conditions, particularly in the treatment of chronic pain.

I firmly believe that for those prescribed marijuana, they should be granted special permission to cultivate the drug privately. This would reduce the (potentially prohibitive) cost that patients incur in treating their condition, while making access easier and more immediate.
