**INQUIRY INTO IMPACT OF THE REGULATORY
FRAMEWORK FOR CANNABIS IN NEW SOUTH WALES**

Name: Mr Cameron Lowe

Date Received: 10 May 2024

Just a comment really, we should really modernise our laws to reflect society. At present they can make people into criminals for possession and use when they really aren't. It's silly to possibly change the course of a life by being cause up in the legal system for something so trivial.
