**INQUIRY INTO IMPACT OF THE REGULATORY  
FRAMEWORK FOR CANNABIS IN NEW SOUTH WALES**

**Name:** Name suppressed

**Date Received:** 10 May 2024

I have been disabled for 14 years, during this time I have been prescribed opiates for pain relief. I had to change medication to methadone, which I have been on for the last 4 years. My pain management specialist has said that cannabis could be a safer option than methadone. He said it is very hard to get approved for the cannabis prescription. Can you please make it easier to obtain.

Thank you for your consideration.
