I've been using medicinal cannabis for years to treat depression and anxiety, during my use of these cannabis products I've personally found no adverse or negative side effects like those found in other highly regulated drugs

These products have helped to make life easier and much more enjoyable

Not only does legalisation mean that buyers are able to acquire cannabis without fear of legal persecution, but it stops a massive flow of income for criminals and criminal organisations.

The way forward is education, teaching people the good and bad, without the propaganda
