**INQUIRY INTO IMPACT OF THE REGULATORY
FRAMEWORK FOR CANNABIS IN NEW SOUTH WALES**

Name: Mr Kyle Buchanan

Date Received: 10 May 2024

It has been proven countless times for centuries that marijuana

Has more health benefits, more industrial and manufacturing benefits (best rope of the 18th century, greener way to make clothes more sustainable and better quality), easy crop to grow and make uses of any of the thousands of possibilities this plant can provide us (sustainable fuel replacement should definitely be added in there)
