**INQUIRY INTO IMPACT OF THE REGULATORY
FRAMEWORK FOR CANNABIS IN NEW SOUTH WALES**

Name: Mr Adrian Norman

Date Received: 10 May 2024

Pot is not dangerous like alcohol, people drunk can turn violent over nothing pot smokers do not do this, by prohibition you create a black market which can lead to a violent act such as not paying there bill or home invasion to steal their goods knowing there not going to ring the police, many people prefer not to drink through the week after a hard day's work but smoke a little to relax you wake up in the morning feeling fine not so with alcohol.
