No 240**

**INQUIRY INTO IMPACT OF THE REGULATORY  
FRAMEWORK FOR CANNABIS IN NEW SOUTH WALES**

**Name:** Mr Glen Millar

**Date Received:** 13 May 2024

---

Laws need to be updated as to medical cannabis laws as it should be legal in NSW and all Australia and driving laws need to be adjusted to allow medical cannabis users to be able to drive as without this medication it's hard to live in pain n hard to get around when living in small towns need car to get around but these laws don't allow it punish us for driving so please change these stupid laws.
