**INQUIRY INTO IMPACT OF THE REGULATORY
FRAMEWORK FOR CANNABIS IN NEW SOUTH WALES**

Name: Name suppressed

Date Received: 15 May 2024

Partially
Confidential

I'm a botanist and fully understand the biochemical properties of Cannabis sp. plants

For too long , properties so valuable to science and health have been excluded from use by the Australian public simply because others choose to use it in a different context.

Here is an opportunity for a nation to provide organic pain relief and rid ourselves of synthetic anti-inflammatory drugs that are not good for human stomachs, let alone only providing temporary relief to a problem , essentially just masking the pain.
