**INQUIRY INTO IMPACT OF THE REGULATORY
FRAMEWORK FOR CANNABIS IN NEW SOUTH WALES**

Name: Name suppressed

Date Received: 17 May 2024

Partially

To whom it May Concern

I take medical marijuana for pain relief. It would be beneficial if marijuana was legalised as sometimes THC is required to relieve pain but as it's considered an illegal drug, patients can be charged with drug driving.

The law at present would deem me a drug addict if tested by the police in a roadside test.

It would be appreciated if the government would enable medical marijuana a legal product as it's benefits outweighs the negatives.

Regards
