**INQUIRY INTO IMPACT OF THE REGULATORY
FRAMEWORK FOR CANNABIS IN NEW SOUTH WALES**

Name: Name suppressed

Date Received: 30 June 2024

Partially
Confidential

Please legalise Cannabis:

* I was a NSW Police Officer for 7 years, and never did I encounter a crime caused by cannabis. 80% of our assaults were alcohol related. NONE were cannabis related.

* If I use my medicinal cannabis in accordance with my Doctors advice, I can still be arrested and charged! Even if I am not impaired by cannabis, but purely by having a trace in my bloodstream.

*Please look at the global evidence: the sky doesn't fall down, government revenue is huge, and new industries are born, including sustainably produced building materials.

*The tax payers money spent on police pursuing cannabis could be slashed if growers were regulated and taxed. You could dismantle the criminal element immediately.

Please legalise!

Yours faithfully,
