INQUIRY INTO PROPOSAL TO DEVELOP ROSEHILL RACECOURSE

Name: Ms Jean Shaw

Date Received: 16 July 2024

I believe that the sale of Rosehill Racecourse should proceed. I have been a member of the ATC for over 40 years, having received recognition in 1980 as a Female Foundation Member. I attend the races regularly and I want to see that the industry remains viable therefore the sale of Rosehill would allow the remaining race courses to expand especially Randwick to establish world class facilities attract ,world class horses, and improve facilities for Members and the Public. This may well increase Revenue into the city with an increase in visitors from overseas and tourists from interstate.

Another positive is to build housing which is in short supply on the Rosehill land

I believe it is a win win for all parties
