INQUIRY INTO PROPOSAL TO DEVELOP ROSEHILL RACECOURSE

Name: Ms Mayumi Beppu

Date Received: 16 July 2024

Please stop the cruelty of horse racing. It is unacceptable to subject the horses to the danger of injury and stress of such a greedy industry, bet racing is a practice that will focus on profit before the welfare of horses, such sensitive animals. Only a strong law, banning the betting on animals can stop their suffering.
