INQUIRY INTO PROPOSAL TO DEVELOP ROSEHILL RACECOURSE

Name: Ms Judith Shaw

Date Received: 17 July 2024

As a member of the ATC I support the sale of Rosehill Racecourse. It is imperative that Racing in NSW remains viable. The existing racecourses are ageing and need refurbishing. Royal Randwick is the premier racecourse in NSW. The facilities for both members and the public require upgrading. The money from the sale of Rosehill will not only make Randwick a super racecourse but will also improve the standard of the remaining racecourses.
