INQUIRY INTO PROPOSAL TO DEVELOP ROSEHILL RACECOURSE

Organisation: NSW Jockeys Association

Date Received: 17 July 2024

To Whom It May Concern

17th July 2024

Dear Parliamentary select committee members,

We are making this submission today regarding the proposed sale of Rosehill Racecourse.

The jockey group are neither for nor against the sale.

Our focus and priority is maintaining world's best racing in Sydney, which encompasses having, as an absolute minimum, **two excellent racetracks** than can hold regular Saturday racing on best racing surfaces.

The Australian Turf Club assures us that either an upgraded Warwick Farm, or a new track at an alternative site such as Homebush, will fill the void left by Rosehill.

The funds generated, should the Rosehill sale proceed, will provide the ATC with resources to upgrade or build a second Sydney racetrack to compliment Randwick

Kind Regards,

Tony Crisafi
Chief Executive
NSW Jockeys Association
