**INQUIRY INTO IMPACT OF THE REGULATORY
FRAMEWORK FOR CANNABIS IN NEW SOUTH WALES**

Name: Name suppressed

Date Received: 29 July 2024

Partially
Confidential

I am a father of two with a full time job and a mortgage, and I am also a medical cannabis patient.

I believe I should have the right to drive a motor vehicle while not under the influence of cannabis, the same way someone who consumes alcohol is treated under the law. Instead, if I choose to drive I run the risk of testing positive for even a miniscule amount of THC in my body, even if the effect has long worn off.

I shouldn't be punished for legally consuming a product with enormous health benefits. If cannabis is not to be made legal, driving laws should urgently be reformed.
