**INQUIRY INTO IMPACT OF THE REGULATORY
FRAMEWORK FOR CANNABIS IN NEW SOUTH WALES**

Name: Name suppressed

Date Received: 30 July 2024

I am a medical cannabis patient who is neurodivergent and has cptsd.

Cannabis ensure I am able to sleep, can eat and am able to remain calm during periods of sensory overload

It has improved my ability to participate in social outings, shop for myself and have less days off work due to anxiety.
