

## Election Costing Request Form

| Details of request |                                     |
|--------------------|-------------------------------------|
| Party:             | Australian Labor Party (NSW Branch) |
| Name of Policy:    | IPART certifier fee caps            |
| Date of request:   | 14 November 2018                    |

| Description of policy   |  |
|---|--|
| Summary of policy (please attach copies of relevant policy documents and include information on what the policy aims to achieve): | Require IPART to report on and set a schedule of fees for private certification services which may not be exceeded by a certifier. |
| Has the policy been publicly released yet?  |  |

|   | 2018/19<br>\$'000 | 2019/20<br>\$'000 | 2020/21<br>\$'000 | 2021/22<br>\$'000 | Total<br>\$'000 |
|---|-------------------|-------------------|-------------------|-------------------|-----------------|
| Impact on GGS expenses  |                   |                   |                   |                   |                 |
| Impact on GGS revenue   |                   |                   |                   |                   |                 |
| Impact on General Government Sector (GGS) net operating result <sup>1</sup> |                   |                   |                   |                   |                 |
| Impact on GGS capital expenditure <sup>2</sup>                              |                   |                   |                   |                   |                 |
| Impact on GGS net lending/borrowing   |                   |                   |                   |                   |                 |

**Note:** Has the policy been costed by a third party?  
If yes, can you provide a copy of this costing and its assumptions?

| Key assumptions made in the policy   |  |
|--|--|
| Does the policy relate to a previous announcement? If yes, which announcement? |  |

<sup>1</sup> Negative for a saving that reduces expenditure

<sup>2</sup> Negative for a reduction in capital expenditure.

|  |   |
|--|---|
| What assumptions have been made in deriving the financial impacts in your estimated costing?<br><i>(See checklist)</i>                             | This policy is regulatory in nature and it is anticipated that it will have no budget impact. |
| Is there a range for the costing or any sensitivity analysis that you have undertaken?   | No.   |
| Are there associated savings, offsets or, in the case of a revenue proposal, offsetting expenses?<br>If yes, please provide details.               | IPART is to absorb administrative requirements within additional resourcing.                  |
| Are there significant costs or savings <b>outside</b> the forward estimates period which should be considered in costing this policy? <sup>3</sup> | ...   |

| <b>Administration of policy</b>  |   |
|--|---|
| Intended date of implementation:   | 1 July 2018                                   |
| Intended duration of policy <sup>4</sup> :   | Ongoing.                                      |
| Who will administer the policy (e.g. Government entity, non-government organisation, etc.)?  | IPART, Department of Planning and Environment |
| Are there any specific administrative arrangements for the policy that need to be taken into account (e.g. agreements between different levels of government)? | Legislative change may be required.           |
| Are there transitional arrangements associated with policy implementation?   | No.   |

<sup>3</sup> Particularly important for large projects with long lead times, policies with a delayed timetable for implementation, or policies where up-front investment is required to achieve long term savings.

<sup>4</sup> Where a policy is intended to be ongoing, please indicate "ongoing" in the space to the right
